With Recognition for Religious Emblems Earned in 2011

**“Closer To God”.** All Scouts do this by attending the service of their faith in their community. In 2012, we would like to invite you and your Packs, Troops, Crews and Parents to join us for our 15<sup>th</sup> Annual Celebration of Faith. Bring your Pack, Troop and Patrol Flags. Recognition will be given to all Cub Scouts, Boy Scouts and Ventures who received a Religious Emblem during 2011. A special edition patch will be available to commemorate your participation.

### Why are we having such a service?

The All Faith Service is to provide an interfaith service that will inspire you to pass on to your unit members and their families the desire to participate in the religious emblems program of their faith.

Our Religious Activities Committee provides information, not religious instruction. Scouting recognizes that religious instruction is the responsibility of parents and religious leaders. But parents first have to know that these programs exist. As unit leaders, you are critical in getting information about religious emblems to your members and their families.

### What are the Religious Emblems Programs?

The religious emblem programs were created by the various religious groups to encourage youth to grow stronger in their faith. The religious groups – not the Boy Scouts of America – have created the religious emblems programs themselves.

The Boy Scouts of America has approved of these programs and allows the recognition to be worn on the official Scout uniform, but each religious organization develops and administers its own program
